Living with
challenge for
discipleship

Be a safe and
caring citizen.

PASTORAL CARE FOCUS

Term 4 Weeks 7 and 8

We are safe and caring citizens through our
and caring actions.

Why is it important to develop this skill?

To tie in with Wellbeing Week we are thinking about ways that we can

- being empathetic in the way that we communicate with each other.
- Being a kind friend always. We feel these other two things in friendship – TRUST and SAFETY. This fortnight we hope to think about how we can be "kind on purpose" and also think before we take action.

Things we can encourage our students to do:

Using our hands and hearts

- Thinking about others – using kind and caring actions.
- Be mindful of sharing food – we want to make sure everyone is safe at school.

We have also had Peer Support sessions this week focused on the theme of Kindness which our Stage 3 students have lead excellently!

Caring ACTIONS

Choose to do small acts of
kindness

Help out at home or take on
new responsibility

Reinforcing safe play and use of
spaces at home.

How can you

help develop
this at home?

Participate in the bread
tags/bags initiatives and waste
free lunches.

Using safe and caring actions
things encourages one
another.
